

BaseAreaContract

```
graph BT; A["Application.Ports.Area.Resumed<br/>ReadAreaOutput"] --> B[BaseAreaContract];
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom contains the text "Application.Ports.Area.Resumed" and "ReadAreaOutput". A blue arrow points upwards from this box to a white box at the top containing the text "BaseAreaContract".

Application.Ports.Area.Resumed  
ReadAreaOutput
