

IEvaluateAppealProject

```
graph BT; A["Application.UseCases.ProjectEvaluation.EvaluateAppealProject"] --> B["IEvaluateAppealProject"]
```

The diagram illustrates a realization relationship. At the top, a white rectangular box with a black border contains the text "IEvaluateAppealProject". Below it, a blue arrow points upwards to the bottom center of this box. The arrow originates from a gray rectangular box at the bottom. This gray box contains two lines of text: "Application.UseCases.Project" on the first line and "Evaluation.EvaluateAppealProject" on the second line.

Application.UseCases.Project
Evaluation.EvaluateAppealProject
