

Services.TokenAuthentication  
Service.GetUserAuthenticatedClaims

```
graph LR; A[Services.TokenAuthentication  
Service.GetUserAuthenticatedClaims] --> B[Domain.Entities.User.User]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box is filled with a light gray color and has a thin black border. It contains two lines of text: 'Services.TokenAuthentication' and 'Service.GetUserAuthenticatedClaims'. The right box is white with a thin black border and contains the text 'Domain.Entities.User.User'. The blue arrow originates from the right side of the left box and points directly to the left side of the right box.

Domain.Entities.User.User
