

IEvaluateStudentDocuments

```
classDiagram
    class IEvaluateStudentDocuments
    class ApplicationUseCasesProjectEvaluationEvaluateStudentDocuments
    ApplicationUseCasesProjectEvaluationEvaluateStudentDocuments --|> IEvaluateStudentDocuments
```

The diagram illustrates a realization relationship. At the top, a white rectangular box with a black border contains the text 'IEvaluateStudentDocuments'. Below it, a blue arrow points upwards to the bottom edge of this box. The arrow originates from a grey rectangular box at the bottom. This grey box contains two lines of text: 'Application.UseCases.Project' on the first line and 'Evaluation.EvaluateStudentDocuments' on the second line. The grey box has a dark grey border.

Application.UseCases.Project  
Evaluation.EvaluateStudentDocuments
